Rates are derived from pricing as established by the US Energy Information Administration's Gas and Diesel fuel Index. Fuel surcharge has been accounted for at the time of this proposal at the current price level but may be subject to change at a later date subject to fuel price changes.  *If during the performance of this contract the cost of materials significantly increase through no fault of the seller, we reserve the right to equitably adjust the price of this contract by an amount reasonably necessary to cover any such significant increase in the cost of materials. As used herein, a significant cost increase shall mean any increase in cost of material exceeding 6% experienced by the seller from the date of the contract signing.  WE HEREBY PROPOSE to furnish material and labor-complete in accordance with the above specifications, for the sum of: \$37,600.00  Authorized Signature  Note: This proposal may be withdrawn by us if not accepted within 10 days  Acceptance of Proposal: The above prices, specifications and conditions are sellsfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as cutlined above.  Signature
